

# PSA Centrii

## CENVDB5

Video Doorbell with HomeBase

### Features

- **5MP Ultra High-Definition**  
40% clearer than 2K. The 7-piece advanced ultra-clear optical lens ensures sharp, detailed images, even in bright or low-light conditions.
- **No Monthly Fee**  
The HomeBase with built-in 8GB memory and 60-day loop-recording means your videos are safely stored at home, no subscription required and you can view them anytime anywhere.
- **Triple Motion Detection Technology**  
Never get a false alert. Our advanced radar and PIR motion sensors and intelligent detection system work together to distinguish and track near and far objects, and determines if they are people, animals, or vehicles.
- **166° Field of View Eliminates BlindSpots**  
Head-to-toe viewing lets you see exactly who is at your door and your packages on the ground.
- **150 Days From 1 Charge**  
The built-in rechargeable battery is 58% more efficient due to our technology. This ensures 150 days of flawless front door coverage on a single charge.
- **Dual Band & Dual Power**  
2.4GHz & 5GHz dual band Wi-Fi compatibility makes setup to the app easy. Install without wires using the rechargeable battery or connect to existing wiring for continuous power.

### Specifications
