## PAN900MHD

Video Intercom 7"HD Monitor

The PSA Panacom 7" monitor works with the Panacom PAN900SCHD or PAN900FCHD door stations or could be used as an additional monitor for the Panacom Intercom kit or existing Panacom intercom systems.

Panacom 900 system can support up to 5 additional monitors in one system.

### Features

- **HD Video**  
High definition 7" display with touch button controls and easy to use menu system for brightness, contrast, ring volume and ringtone control.
- **Easy Wiring**  
Easy to wire system using CAT5e/ CAT6 cable up to 50m between door and monitor.
- **Lock Release**  
Flexible door release options. 12VDC output, N/O or N/C contacts. For electric strikes or magnetic locks
- **Internal Call**  
Intercommunicate with other internal monitors within the system.
- **Do Not Disturb**  
Easily put the monitor in Do Not Disturb mode if you require silence & privacy.
